

January 5, 2022

Dear ESUSD Families,

Thank you to all of our families that picked up testing kits yesterday. Just as a reminder, if your child tested positive, they should immediately adhere to isolation protocols and not attend school until all protocols have been completed. Please contact the school to set up Independent Study for your child.

Also, just a reminder, if you have not submitted your test results from the At-Home Covid Testing Kits, please do so using this link. <https://forms.gle/QuqZ3czRXgAzEmvo8> Please report if your child shows positive or negative and regardless of the results please administer the second test on Sunday for a second reading. Thank you all for your support and patience.
